A FRESH TAKE ON FROZEN

A PHOTOGRAPHIC BRAND WITH A GRAPHIC RIM.

One shape. Three behaviors.

The plate rim becomes a frame, a crop and a repeat.

Its job is to give photographs a place and make COOKT recognizable between images.

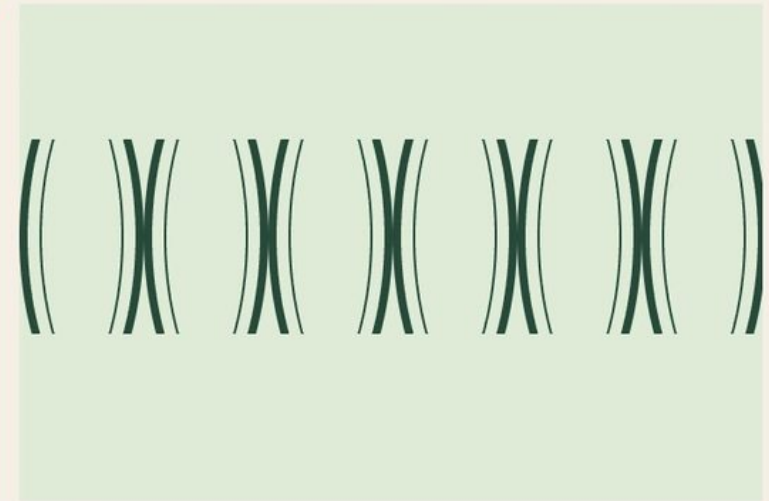

01 / FRAME

Hold a dish or a short headline.

02 / CROP

Let one edge leave the composition.

03 / REPEAT

Reserve repetition for an edge or fold.

REVERSE / COMPLETE DISH NAMES

The rim wraps the cover.
The reverse does the work.

An A5 menu card with a full-bleed cover and an orderly reverse. The repeat runs along the top edge, leaving the content clear.
