Photography system

Lifestyle, set design and digital photography for COOKT, built around the locked pack plate. Nine shooting modes, one light grammar, and where each mode works.

SOURCE: 3 PINTEREST BOARDS (COOKT • CKT • CKT2), 236 UNIQUE IMAGES REVIEWED

Composite proof from the Lemon Chicken Orzo plate render. Not final photography.

How we shoot plates.

Four sets. Every surface is a flat color or a tile; the props are in stock; one hard light from upper-left. No color work on the food.
