Round 03 feedback

Stacked, C·O·O
can read as an 8.

Two O's. Two plates.

Carved, not drawn.

Every stem widens toward its ends,
the way chisel-cut letters do.

The C is cut
from the same plate.

Same circle, same counter.
Only the cut changes.

Option A - Served

COOKT

Both cuts follow the slope of the K's arm.
Symmetric, like the plate.

Option B - Echo

COOKT

The top cut follows the K's arm,
the bottom its leg.
