STORIES FROM THE TABLE

Make room for a good meal.

FOR PEOPLE WITH MORE APPETITE THAN TIME.

Some meals happen between things. Others become the thing itself. A good lunch can make an ordinary afternoon feel different. A shared dinner can hold a little more of the day.

That is the space COOKT belongs in: distinctive dishes, each with its own character, and a place for all of them at the same table.

**LESS CEREMONY.
MORE APPETITE.**

STORIES FROM THE TABLE

The everyday edition.

MAKE ROOM

A plate, a fork, somewhere to sit.
The table does not need to be
set for an occasion. Sometimes
the occasion is simply taking a
moment to eat.

A small ritual.
A little more attention.
A meal worth sitting down to.

COOKT

Identity & scale

Exact Echo source wordmarks and retained retail front artwork. Shared retail ratio: 2100:1500. Shipper studies use one full-depth box reference; final supplier dimensions remain open.

Stickers & print

17 sticker concepts across three tiers. Hand-lettered raster masters require final vector artwork and print proofs. Confirm origin and halal scope before claim use.

Source & production

Artwork & photography

Original generated concepts, composed into editable layouts. Photography establishes light, crop and appetite; confirm recipes and portions for a commissioned shoot.

Research & wrap

Reference analysis informed hierarchy, lettering and print construction. COOKT Paper contains original draft editorial copy. Specify wrapping stock and ink with the packaging supplier.
